

USELESS FOUNDER

LONDON ONTARIO'S INFAMOUS

WHERE NOBODY KNOWS YOUR NAME

ROTTEN SON

Joseph Koolisky had a lifelong dream, a food and beverage establishment that sold honest food at honest prices. However due to non stop government bureaucracy and red tape it took him over 23 years to get the joint open. Unfortunately by this time his son (who had the nerve to shorten his last name to Kool) came on the scene and he screwed up the whole idea. The end.

SMALL PLATES

Remember when these used to be called appetizers?
